5. Why Study At IUASR?

5.1 To pursue a career path:

. As a graduate of our Islamic Theology program, you will obtain a European level accredited bachelor's degree and thus, will have the following options:

Islamic theologian (Imam), acknowledged by not only Dutch but also European and communal authorities (mosque councils, religious affairs organizations),

Chaplain in various institutions like prisons, hospitals, mental healthcare institutions, elderly care, and youth service.

Consultant for various (non-)government agencies and organizations across Europe,

Further academic career in the humanities or social sciences, such as Islamic and religious studies,

Teacher in Islamic or other elementary or high schools.

5.2 To pursue a community path:

As a graduate of our Islamic theology program, you will well prepared to act as a faith leader and practical theologian within your community, serve as a preacher in various locations and events, serve as a lecturer of the Islamic sciences in traditional maktab/madrassa style institutions and organizations, provide the much-needed translation work and content creation (books, booklets, online lectures and articles, guidance and outreach through social media) within the Muslim community.

5.3 To pursue a personal path:

. By studying the Islamic sciences, you will be able:

to strengthen your personal faith,

develop your personality,

learn Islam in an in-depth way and how to wade through its multiplicity (ikhtilaf)

learn answers for contemporary concerns, such as Islamophobia, atheism and the existence of God, religious pluralism, relation between religion and science, the existence of evil and suffering, modern ideologies, extremism, bio-and environmental ethics, and human rights,

and, thus, will be able to broaden the application of Islam in your personal life.

6. What Will IUASR Provide For You?

First and foremost, you will be able to study Islam at the heart of Europe with a confessional education program, that combines traditional and modern curriculum in Islamic and religious sciences,

Throughout the four years program, you will be part of a small class with focused training and personal coaching provided by qualified scholars trained in diverse backgrounds,

Prominent Islamic scholars as guest lecturers on a regular basis,

Through the network of our University, we can provide you with access to various Islamic and academic institutions.
